

## Communications & Community Partnerships

### Like

- Alumni

### Wonder

- Business integration
- Bring more partners in the classroom to support curriculum (business/life skills)
- Quality of volunteers
- Email updates to the community other than social media
- Encumber community emails to measure input/feedback
- Event promotion
- Volunteer hours - businessmen and women with a schedule
- Follow up with how your partnership helped us
- Why Midlo (eco dev)

## Academic Excellence

### Like

- How to promote AP/Dual Credit
- Secondary & post secondary, grad students
- Tracking secondary and post graduate students
- Alg. 1 good measure
- Early indicators

### Wonder

- Why just Alg 1 @ MS
- Explained GT Matrix
- Track alumni
- Extracurricular - does it fit here?
- Increase particular CTE certifications
- What students with accomodations
- # of Merit Scholars
- Track future ready?
- Tracking career pathways (trades, TSTC) etc..

## School Security & Emotional Wellbeing

### Like

- Good list
- Proactive vs reactive
- Training
- Social or emotional - different issues, backgrounds, get students involved in extra-curricular (gaming club)
- Community service@ elementary - get service as young as possible
- Anonymous reporting
- Crisis link
- Like SROs on campus
- Like community service hours
- Extracurricular - range of clubs
- Teachers feel like they can't send students to the office
- Like all the three measures in safety

### Wonder

- Drug testing
- Teacher told not to send kids to the office
- Identify more quickly level 2 & 3 behaviors so we address the kid
- Holistic class - how do we get kids involved, find a place, increase participation
- Career day - expose to different experiences
- Subs trained on safety
- PTO board needs to know safety procedures
- How do we get kids involved
- Measure soft skills
- Student leadership
- Just making the team skews numbers
- Let community members know when the drills are being conducted
- Be careful that teachers/SROs are not referring simply because they are afraid we are measuring and would be a reflection on them.

## Finance/Human Resources

### Like

- All HR measures
- Employee action survey
- Add benefits to salary
- PD flipped/specialize
- Assignments with devices and give attendance

### Wonder

- Alumni/revenue/ambassadors
- Partner with PTA and finance to help them come to school increasing daily attendance
- Recruitment and maintaining
- Business offering % off for teachers - make movers list, insurance, etc
- School supplies donated
- Take TTESS out
- Measure retention
- Survey best tool?
- Collaboration with community in bond

so there isn't duplicate efforts (Fine arts & CTE buildings)

- Communication on bonds with right social media
